Your Financial Adviser should be able to answer most of your questions, but you can also contact the Guardian Team:

ABOUT YOUR POLICY

Your policy will be arranged and administered by Guardian Financial Services Limited. Guardian Financial Services Limited is an appointed representative of Scottish Friendly Assurance Society Limited. Guardian Financial Services Limited is entered on the Financial Services Register under reference number 798072. Guardian Financial Services Limited is registered in England and Wales under number 11115769. Registered office: 11 Strand, London WC2N 5HR.

WHAT OUR CRITICAL ILLNESS PROTECTION AIMS TO DO

This cover aims to:

- Protect you or your family against the financial consequences of you becoming critically ill.
- Protect you or your family against the financial consequences of you becoming terminally ill.
- Protect you or your family against the financial consequences of you becoming totally permanently disabled.

Our wider Protection Menu aims to give you the flexibility to choose different types of cover for different amounts and different lengths of time, and you may be able to change your policy if your circumstances change.

YOUR COMMITMENTS

When you apply for this cover, you agree:

- To answer the questions in your application fully, accurately and truthfully.
- To pay your premiums from a personal UK, Channel Islands or Isle of Man bank account that accepts direct debits. The account must be held in your name and you must be an authorised signatory until the end of your policy's term.
- To regularly check that your cover amount is appropriate for your needs.

THE RISKS

If you don't give us accurate information

It's important that the information you give us in your application is accurate and complete, as we rely on it to decide whether we can offer you cover, what terms apply and how much you pay.

If the information you give us is inaccurate or incomplete, we may:

- Reduce the amount we pay on a claim you make or not make any payment at all.
- Amend the terms of your cover.
- Cancel your policy completely. Where we cancel your policy, we may not refund the premiums you've paid.

If you become aware that information you've given us is inaccurate or incomplete, you must let us know as soon as you can.

If you stop paying your premiums

If you don't pay your monthly premiums for any reason, your policy will lapse 30 days after your missed premium. This means you'll no longer be insured.

No previous premiums will be refunded unless you're in the 30-day cooling-off period. However, if you're unable to pay your premiums, you may be able to claim Premium Waiver – please see page 8 for more information.

If tax rules change

Under current tax rules, any payments we make will be free from income and capital gains tax in the UK. If the government changes the tax treatment of protection policies, this could change the amount we pay you.

Your policy has no cash-in or surrender value

Your policy has no cash-in value (there's no investment or savings element) and won't pay out if you reach the end of the term without a claim.

BEFORE YOUR POLICY STARTS

Before your policy starts, you should know:

Your policy documents will only be available online

To buy a Guardian policy, you need to have an email address and access to a device that you can use to download and view your policy documents. If you don't, please speak to your Financial Adviser as this policy might not be suitable for you.

When you take out a policy with us, we'll store your policy documents securely in your online MyGuardian account. We won't send you paper copies. We'll send you login details for your MyGuardian account when your policy starts.

It's important that you activate your MyGuardian account, read all the policy documents, and check the answers your Financial Adviser completed on your behalf. In line with section 4.2, you'll need to let us know of any mistakes before the end of the 30-day cooling-off period.

You may be eligible for Immediate Cover

When you apply for a policy, it may not start straightaway. For example, if your application is referred to our underwriters.

If you're eligible, Immediate Cover may be able to cover you as soon as we receive your fully completed application. For full details, please go to: guardian1821.co.uk/immediate-cover.

YOUR POLICY INCLUDES PREMIUM WAIVER

Premium Waiver is automatically included and can't be removed. It means you won't have to pay your Critical Illness Protection premiums if, after your cover has started:

- You become unable to do your job because of illness or injury and
- You've been off work for at least 28 consecutive days and
- Your regular net paid income reduces by 25% or more as a result.

OR:

- You're in employment on or after the first anniversary of your policy, and you're then not working as a result of involuntarily losing your job or being made redundant. In this case we'll waive your premiums for up to 6 months.

OR:

- After the first anniversary of your policy, you start maternity or paternity leave. In these cases, we'll waive your premiums for 6 months.

Please let us know as soon as you think you'll be making a claim for Premium Waiver as we may not be able to backdate it or refund premiums. Please see section 3.1 for information on how to claim and our **Critical Illness Protection policy terms and conditions** for full details.

1. CRITICAL ILLNESS PROTECTION

Critical Illness Protection pays out if any of the following events happens while your cover is in force:

- You meet one of our Critical Illness Protection definitions. Some of the definitions will pay 100% of the amount you're covered for (called full payouts). Some will pay a smaller amount (called additional payouts), leaving the amount covered in place so you're still able to claim 100% at a later time.
- You meet our terminal illness definition.
- You meet our total permanent disability definition.

If you die within 10 days of any of these events, the cover won't pay out and will end.

See the [Critical Illness Protection policy terms and conditions](#) for full details.

1.1 WHO CAN APPLY FOR CRITICAL ILLNESS PROTECTION?

You can apply for cover if you meet all of the following:

- You're aged between 18 and 64.
 - You have a personal UK, Channel Islands or Isle of Man bank account.
 - You've lived in the UK for the last 6 months, with the right to remain in the UK.
 - You're a UK resident.
 - You're currently registered with a UK doctor.
-

1.2 WHAT TYPES OF COVER CAN I HAVE?

You can choose from 4 types:

- **Level Cover**

The amount you're covered for is fixed for the length of your cover.

- **Increasing Cover**

The amount you're covered for will go up in line with inflation (based on the retail price index) on each cover anniversary, capped at a total of £3 million. The maximum amount of critical illness cover you can have with us is £3 million across all critical illness covers.

Your premiums will also go up to reflect the extra cover. The increase is calculated as the inflation increase multiplied by 1.5.

You can skip an increase. If you skip 3 consecutive increases, we'll remove the Increasing Cover option and change your cover to Level Cover for the remainder of the term. Once we've removed the Increasing Cover option, you can't add it back on later.

- **Decreasing Cover**

The amount you're covered for goes down on a monthly basis, consistent with the capital amount outstanding on a repayment mortgage paying interest at 8% a year.

- **Family Income Benefit**

The amount you're covered for will be paid as a monthly income.

1.3 HOW MUCH COVER CAN I APPLY FOR?

You can choose from £10,000 to £3 million for Level, Increasing or Decreasing Cover. If you choose £3 million of cover, you won't be able to select Increasing Cover.

This maximum is the same for Family Income Benefit and will be calculated by multiplying the annual cover amount by the selected term.

1.4 ARE THERE ANY EXCLUSIONS?

Some of our Critical Illness Protection definitions have exclusions related to drug or alcohol usage. See the **Critical Illness Protection policy terms and conditions** for the definitions.

Any other exclusions that apply to you will be detailed on your cover summary.

1.5 HOW LONG CAN I GET COVER FOR?

You can choose how long to be covered for. Your age might influence your decision.

Minimum term	Maximum term	Maximum age at end
5 years	52 years	70 years

1.6 HOW MUCH DOES THE COVER PAY OUT?

We'll pay the amount of cover that applies to your terminal illness, total permanent disability or critical illness claim, assuming the claim conditions are met. If you've chosen Family Income Benefit, we'll pay it in monthly instalments.

Full payout

A full payout means we'll pay 100% of the amount you're covered for. A summary of the Critical Illness Protection definitions we cover is set out in section 5.

Additional payout

An additional payout means we'll pay between 10% and 50% of the amount (depending on the illness), or £50,000, whichever is lower. A summary of the Critical Illness Protection definitions we cover is set out in section 5.

If we've paid a claim for an additional payout, the amount you're covered for doesn't change. This means your full amount of cover remains in place should you suffer a further critical illness, and you carry on paying your premiums. See section 5 for more information.

If you've chosen Family Income Benefit, we'll pay the additional payout as a lump sum, leaving the original monthly income intact should you need to claim again in the future.

Who we'll pay

If you claim on your cover, we'll pay the amount covered to the person covered or trustees.

1.7 WHAT IS THE COVER UPGRADE PROMISE?

Your Critical Illness Protection includes our cover upgrade promise. This is our promise to you that if we improve our Critical Illness Protection definitions for new policyholders after your cover has started, we'll give those improved definitions to you as an existing policyholder. Usually, we'll give you these improvements for free. If we can't give you them for free, we'll give you the opportunity to pay to add these definition improvements to your cover.

This means you can claim on any of the definitions listed in the **Critical Illness Protection policy terms and conditions**, or any improved definitions we subsequently add.

Our cover upgrade promise applies to both new and existing definitions for full and additional payout conditions. It doesn't apply to the amount we pay, for example if we increase the amount we pay our new customers for additional payouts.

Please see the **Critical Illness Protection policy terms and conditions** for full details.

1.8 WHAT IS TERMINAL ILLNESS COVER?

Terminal Illness cover pays out the full amount you're covered for if you're diagnosed as being terminally ill and, in the opinion of your attending UK Consultant, the illness is expected to lead to your death within 12 months.

1.9 WHAT IS TOTAL PERMANENT DISABILITY?

Total permanent disability pays out the full amount you're covered for if:

- You're unable to do your own occupation ever again, or
- You're unable to perform 3 or more activities of daily living as described in the **Critical Illness Protection policy terms and conditions** ever again, or
- You meet our definition of mental incapacity, or
- You're diagnosed by a Consultant Psychiatrist with bipolar affective disorder, schizophrenia, schizo-affective disorder or paranoid (delusional) psychosis.

Your cover summary will show the total permanent disability definition that applies to you.

Please see the **Critical Illness Protection policy terms and conditions** for full details of when you can claim.

2. PAYING FOR YOUR COVER

2.1 WHAT WILL MY COVER COST?

The premiums you pay depend on several factors including your age, health, lifestyle, the type of cover you choose and the term you select. You can find full details on your quote and your cover summary.

2.2 WILL MY PREMIUMS STAY THE SAME?

We guarantee your premiums won't increase during the term of your policy unless you increase the cover you already have, choose Increasing Cover or add a new cover.

2.3 HOW DO I PAY?

You need to pay monthly from a personal UK, Channel Islands or Isle of Man bank account that accepts direct debits. The account must be held in your name and you must be an authorised signatory. You'll be asked to complete the mandate during your application.

2.4 WHAT IF I'M UNABLE TO PAY?

You need to pay your premiums every month. If you stop paying, your cover will lapse 30 days after the first missed premium and you'll no longer be insured.

If you want to cancel your cover, you can do so at any time by letting us or your Financial Adviser know. You can then stop paying your premiums. Your cover will stop, and you'll no longer be insured.

Premium Waiver is automatically included in your policy. It means you may not have to pay your premiums if you're unable to do your job and your income reduces, or for up to 6 months if you involuntarily lose your job or you start maternity or paternity leave. See page 8 for more information.

2.5 CAN I REDUCE MY COVER?

You can reduce the amount you're covered for or your policy term at any time, as long as you don't go below the minimum cover amount or cover term. See the **Critical Illness Protection policy terms and conditions** for full details.

Let your Financial Adviser know or contact us directly if you'd like to reduce your cover amount or term. We'll adjust your premiums and issue a new cover summary showing your new cover.

2.6 CAN I ADD TO MY COVER?

There are 2 ways you can add to the amount you're covered for:

- A new application. This may be subject to a full underwriting process, and you'll pay the premium rates that apply at the time.
- Using your Guaranteed Increase Options. If you have what we call a key life event – such as getting married or having a baby – you can add to your cover without having to give us any additional medical information. You must take up this option within 12 months of the event happening. For full details, please see your **Critical Illness Protection policy terms and conditions**. To check if you have Guarantee Increase Options on your policy, please see your cover summary.

Adding to your cover will mean your premiums go up.

3. MAKING A CLAIM

3.1 HOW DO I MAKE A CLAIM?

If you need to make a claim or think you may have a claim, you can contact your Financial Adviser or call our Claims Team on **0808 173 1821**. They'll tell you how to claim and offer as much help and guidance as they can at what can be a very difficult time.

Alternatively, you can contact us:

claims@guardian1821.co.uk

Guardian Financial Services, Forbury Works, 37–43 Blagrove Street, Reading RG1 1PZ

3.2 WHAT WOULD STOP GUARDIAN PAYING A CLAIM?

We want to pay your claim as quickly as we can, but we can't do this if:

- You don't consent to us gathering all the information we need to assess your claim.
 - Your cover ends because you haven't paid your premiums.
 - Your cover is cancelled.
 - Your claim doesn't meet the cover definitions shown in your policy. See the **Critical Illness Protection policy terms and conditions** for full details.
 - Your claim is subject to any exclusions shown on your cover summary.
 - You haven't answered the questions in your application honestly, accurately and reasonably.
 - For Premium Waiver claims, you were already off work due to illness or injury before your policy started.
-

3.3 ARE ANY PAYOUTS YOU MAKE UNDER THIS POLICY SUBJECT TO TAX?

Under current tax rules, any payouts we make on your policy will be free from income tax and capital gains tax in the UK. This is based on our understanding of current tax law and practice which may change in the future. We recommend you speak to your Financial Adviser or solicitor if you'd like to know more.

3.4 WHAT IF I MOVE ABROAD?

You'll still be covered by your Critical Illness Protection if you move abroad after it's started, but you'll need to keep your UK, Channel Islands or Isle of Man bank account that accepts direct debits to pay the premiums.

4. OTHER THINGS YOU NEED TO KNOW

4.1 WHAT IF I WANT TO COMPLAIN ABOUT GUARDIAN?

We hope you'll never need to complain about us, but if you do, we'll do our best to resolve your complaint as quickly as possible. To find out how to make a complaint, please follow our step-by-step process at guardian1821.co.uk.

 Financial Ombudsman Service, Exchange Tower, London E14 9SR

If you contact us or the Ombudsman to complain, it won't affect your right to take legal action.

4.2 WHAT IF I CHANGE MY MIND?

You have 30 days from the date you receive your policy or the policy start date, whichever is later, to change your mind and cancel your policy. If you tell us within that time that you want to cancel, we'll refund any money you've paid and terminate your cover.

This is called the cooling-off period. To cancel during the cooling-off period, just email us on heretohelp@guardian1821.co.uk.

Even after 30 days, you can cancel your policy at any time by letting us know at heretohelp@guardian1821.co.uk and cancelling your direct debit mandate. If you tell us after 30 days, you won't get any money back as the policy has no investment value.

You may be able to cancel one type of cover within your policy without having to cancel other types you hold.

4.3 HOW WILL YOU USE THE INFORMATION I GIVE YOU?

We'll use the information you give us to set up, administer and manage your policy. This includes assessing your application, underwriting and pricing your cover, handling claims, managing complaints, preventing fraud and meeting our legal and regulatory obligations.

This will include using health and medical information where necessary, for example, to assess your application or a claim.

We may share your information with Scottish Friendly Assurance Society Limited, medical professionals, service providers who support our business, reinsurers, and regulators or ombudsman services where required.

We only use and share your information where it is necessary and permitted by law.

You have rights in relation to your personal data, including how it is used and shared. More information about how we use your data and your rights is available in our privacy policy at guardian1821.co.uk/privacy-policy.

4.4 HOW DO I CONTACT YOU?

The FSCS will pay 100% of the value of the claim and there's no upper limit to the amount of the payment. You can find out more about the FSCS, including eligibility to claim, by visiting its website.
