YOUR POLICY TERMS AND CONDITIONS

About this document and your policy

We give these **policy terms and conditions** to everyone who buys Critical Illness Essentials with us. They explain how this specific **cover** works, how to make a claim, how to keep your premiums up to date and how to make changes to your **cover**.

This document is about your Critical Illness Essentials **cover** only. It explains everything you need to know about this specific **cover**.

Your wider protection policy

Critical Illness Essentials may be part of your wider protection **policy**. You may have one or more other **covers** as part of the same **policy**.

All the covers you have are listed on your **cover summary**, which shows exactly what you're protected for. Each **cover** has its own set of **policy terms and conditions**. You can find these for all your **covers** in your online **MyGuardian** account.

The core covers you can choose from

Within your protection **policy**, you can mix and match up to 10 different **covers** from our Protection Menu. These **core covers** are:

- Life Essentials
- Life Protection
- Critical Illness Essentials
- Critical Illness Protection
- Combined Life and Critical Illness Essentials
- Combined Life and Critical Illness Protection
- Income Protection

Children's Critical Illness Protection is an optional extra. It can only be taken out alongside one of the **core covers**.

All the **covers** you have chosen are shown on your **cover summary**.

What we mean by Financial Adviser

Throughout these **policy terms and conditions**, when we say **Financial Adviser**, we mean the person who arranged your **policy** for you. This could be a **Financial Adviser**, financial planner, protection adviser, insurance agent, mortgage adviser or another professional.

If you can't remember who your **Financial Adviser** is, please give us a call or send us an email and we can share their details. Or, if you're no longer in contact with your **Financial Adviser**, you can visit www.unbiased.co.uk to find one in your local area.

If you need any help

Your **Financial Adviser** should be able to answer most of your questions, but you can also contact the Guardian Team:

0808 123 1821

heretohelp@guardian1821.co.uk

Extra support

If you ever need extra support, we're here to help. You can visit guardian1821.co.uk/extra-support, send us an email or give us a call to explore how we can support you in a way that works best for you. If you let us know what you need, we can make a note on your account, so our team understands how to support you better.

When you need extra support, we'll work with you to help you understand what information is needed and how to provide it.

If you'd like this document in a different format, such as Braille, large print or audio, please call or email us.

GLOSSARY OF TERMS

This is a legal document so we have to use terms throughout that you might not be familiar with. We recommend you refer to the glossary of terms in section 5 when reading this document to make sure you understand what you're covered for and how your **policy** works.

1. YOUR PROTECTION POLICY

1.1 YOUR CONTRACT WITH US

A protection **policy** is an insurance contract or group of contracts between you and us. There is a separate contract for each **core cover**, as set out in your **cover summary**. This means each **core cover** can be dealt with separately for entitlement to its benefits. Each of those contracts will be governed by specific **policy terms and conditions** for each cover. These **policy terms and conditions** are for your Critical Illness Essentials only.

The **policy** is made up of the following parts:

- **Statement of facts**
- **Policy terms and conditions** for each **cover**
- **Cover summary**

Please read this document carefully. It's important that you read all the **policy** documentation before the end of the 30-day cooling-off period. **If you become aware that information you've given us is inaccurate or incomplete, you must let us know as soon as you can.**

We'll store your policy documents, including your **cover summary**, securely in your **MyGuardian** account. See your welcome email for more information.

Once your **policy** has started, you have 30 days to change your mind and cancel it. If you tell us within that time that you want to cancel, we'll refund any money you've paid and cancel your **cover**. To cancel your **policy** during the cooling-off period, email us at heretohelp@guardian1821.co.uk.

Your consent

We may need to ask your doctor for information to support or check the answers you gave us in your **application**. When you applied online, we asked for your consent to contact your doctor under the Access to Medical Reports Act (AMRA 1988) or The Access to Personal Files and Medical Reports (Northern Ireland) Order 1991, whichever is appropriate. If we need to contact your doctor, we'll do that within the first 6 months of your **policy** starting and we'll email you to let you know. If you withdraw your consent, we will cancel your **cover**.

It's important you review your **policy** regularly with your **Financial Adviser** to make sure it still meets your needs if your circumstances change.

1.2 ABOUT YOUR POLICY

Your **policy** is arranged and administered by Guardian Financial Services Limited. Guardian Financial Services Limited is an appointed representative of Scottish Friendly Assurance Society Limited.

Guardian Financial Services Limited is entered on the Financial Services Register under reference number 798072. Guardian Financial Services Limited is registered in England and Wales under number 11115769. Registered office: 11 Strand, London WC2N 5HR.

Your **policy** is underwritten and issued by Scottish Friendly Assurance Society Limited which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Scottish Friendly Assurance Society Limited is entered on the Financial Services Register under reference number 110002, with permission to effect and carry out contracts of insurance.

1.3 MAKING A CLAIM

If you need to claim under your **policy**, contact your **Financial Adviser** or call our Claims Team on **0808 173 1821** as soon as you can. They'll tell you all about how to claim and offer you as much help and guidance as they can at what can be a very difficult time.

- Phone our Claims Team on **0808 173 1821** or
- Email claims@guardian1821.co.uk or
- Write to **Guardian Financial Services, Forbury Works, 37–43 Blagrove Street, Reading RG1 1PZ**

Once we're told about a claim, we gather any evidence we need to assess your claim to enable us to pay out as quickly as possible. We may need to get some medical information, but there will be no cost to you or the person making the claim. If you're living abroad, we may need you to return to the UK to attend a medical examination so we can fully assess your claim. In this situation you'll need to cover your travel costs.

1.4 ADDITIONAL SUPPORT WHEN YOU CLAIM

If you need to claim, we understand the financial payout is important, but that's often not all you need at this difficult time. That's why we offer additional support through our HALO claims service.

When you make a claim, our Claims Specialists take time to understand your situation. They then draw on their experience and the expertise of our partners to recommend and put in place support that's relevant to you.

HALO supports you and your immediate family, and in most cases the entire cost of the help offered is covered by your **policy**.

To make sure HALO provides the best claims support, we regularly review the services we offer and the providers we work with. HALO doesn't form part of your contract with us. This gives us the flexibility to change current services and providers as well as add new services and providers at any time. We can also remove services that are no longer available or withdraw them completely.

1.5 PAYMENTS MADE UNDER YOUR POLICY

Unless we agree otherwise:

- All payments made to, and by, us under your **policy** must be in GBP (pounds sterling).
 - We'll only pay claims to UK, Channel Islands or Isle of Man bank accounts.
-

1.6 CHANGES WE'LL MAKE TO YOUR POLICY

If we have to make changes to your **policy**, we'll always let you know before we make them. Changes could be because we can offer you better **terms** or need to change your current **terms**, or because of changes in future legislation.

1.7 CANCELLING YOUR POLICY

You can cancel your **policy** at any time by letting us know at heretohelp@guardian1821.co.uk and cancelling your direct debit mandate. If you tell us after 30 days, you won't get any money back, as the **policy** has no surrender value. The cancellation will take effect from the date of your next monthly policy anniversary.

You can cancel one type of **core cover** within your **policy** without having to cancel other cover types you hold.

If you withdraw your consent under the Access to Medical Reports Act (AMRA) 1988 or The Access to Personal Files and Medical Reports (Northern Ireland) Order 1991, whichever is appropriate, which you gave during your online **application**, we'll cancel your **cover**.

If you stop paying your monthly premiums, your **policy** will lapse as described in section 2.2.

Reinstating a cancelled policy

You can apply to reinstate your **policy** up to 2 months after it's cancelled, provided all your missed premiums are paid in full.

We'll ask you to complete a declaration of health, which will be subject to underwriting. If your health has deteriorated or your lifestyle has changed since your original **application**, we may be unable to reinstate your **policy** or may need to change the original **terms** and monthly premium.

1.8 CASH-IN OR SURRENDER VALUE

Your **policy** has no cash-in value (there's no investment or savings element) and won't pay out if you reach the end of the **term** without a claim.

2. PAYING FOR YOUR POLICY

The amount you need to pay and for how long will be shown on your **cover summary**. Your premiums won't change unless:

- You chose Increasing Cover.
- You were paying an increased premium due to your health or lifestyle and the increase expires or is removed.
- A change is made to your **policy**.

2.1 PAYING PREMIUMS

You'll need to pay your premiums each month from a personal UK, Channel Islands or Isle of Man bank account that accepts direct debits. The account must be held in your name and you must be an authorised signatory. If your bank account details change, please let us know as soon as you can. Contact us directly or through your **Financial Adviser**.

2.2 MISSING PREMIUMS

A direct debit payment can fail for a variety of reasons. It's your responsibility to make sure there's enough money in your account to pay your premiums each month.

If we're unable to collect premiums, we'll email you immediately and let your **Financial Adviser** know too.

If you don't pay your premiums, your **policy** will lapse 30 days after the first missed premium.

If the **policy** lapses, you can apply to reinstate it up to 2 months afterwards, provided all your missed premiums are paid in full. We'll ask you to complete a declaration of health, which will be subject to underwriting. If your health has deteriorated or your lifestyle has changed since your original **application**, we may be unable to reinstate your **policy** or may need to change the original **terms** and premium.

If you need to discuss any issues around the collection of your premiums, please call us or email us.

2.3 PREMIUM WAIVER

If you apply before your 65th birthday, Premium Waiver is automatically included in your **policy** and can't be removed. It means you may not have to pay your premiums if you're unable to work.

You won't have to pay your Critical Illness Essentials premiums if, after your cover has started:

- You become unable to do the material and substantial duties of your **own job** (the actual job you're doing at the time you claim) and
- Your regular net income reduces by 25% or more as a result.

The material and substantial duties are those that are normally required for, and/or form a significant and integral part of, the performance of your **own job** that can't reasonably be omitted or modified.

When we start waiving your premiums

We'll start waiving your premiums from the date you tell us you're unable to do your **own job** due to illness or injury, or 26 weeks after your net income reduces by 25% or more, whichever is later.

It's important to let us know as soon as you think you may need to claim, as we may not be able to backdate Premium Waiver or refund premiums already paid.

How long Premium Waiver continues

We'll continue to waive your premiums if you're unable to carry out your **own job** due to illness or injury until the earliest of the following happens:

- You're no longer losing 25% or more of your net income.
- We establish that you're able to return to work.
- You retire.
- Your **policy** expires.
- You make a **full payout** claim and your **policy** ends.

You can claim Premium Waiver as many times as you need, as long as your cover is **in force**.

What happens during a Premium Waiver claim

- We won't collect your normal premiums by direct debit while your claim is active.
- Your cover will continue as normal during and after the claim.
- If you have Increasing Cover, it'll continue to increase during the claim.

A Premium Waiver claim has no impact on any other claim you may make on your **policy**.

We may ask for information or evidence to assess your claim. This will depend on the reason for your claim, and we'll tell you what we need when you contact us.

Once your premiums are being waived, we'll stay in touch and may ask for updates or further medical information so we can reassess your claim when needed.

3. GENERAL INFORMATION AND CONDITIONS

3.1 MAKING A COMPLAINT

We hope you'll never need to complain, but if you do, we'll do our best to resolve your complaint as quickly as possible. To find out how to make a complaint, please follow our step-by-step process at guardian1821.co.uk/complaints.

To contact us:

 0808 123 1821

 heretohelp@guardian1821.co.uk

 Guardian Financial Services, Forbury Works, 37–43 Blagrove Street, Reading RG1 1PZ

We always prefer to sort out any complaints ourselves, but you can ask for help from the Financial Ombudsman in certain circumstances:

- If we haven't been able to resolve your complaint.
- If we've not sent you a final response within 8 weeks.

The Financial Ombudsman is an independent service in the UK for settling disputes between consumers and businesses providing financial services. You can find more information on the Financial Ombudsman at www.financial-ombudsman.org.uk.

To contact the Financial Ombudsman:

 Financial Ombudsman Service, Exchange Tower, London E14 9SR

3.2 THE FINANCIAL SERVICES COMPENSATION SCHEME (FSCS)

The FSCS is designed to pay compensation if a firm is unable to pay claims because it's stopped trading or been declared in default. So, if Scottish Friendly Assurance Society Limited runs into financial difficulties, you may be able to claim through the FSCS for any money you've lost.

The FSCS will pay 100% of the value of your claim and there's no limit to the amount of the payment. You can find out more about the FSCS, including eligibility to claim, by visiting its website.

The rules of the FSCS might change in the future and the FSCS may take a different approach depending on what led to the failure.

To find out more about the FSCS:

 fscs.org.uk

 Financial Services Compensation Scheme, PO Box 300, Mitcheldean GL17 1DY

3.3 THE LAW THAT APPLIES

Our **policies** are governed by the laws of England and Wales and are based on current law and precedent, which may change in the future.

3.4 SOLVENCY II DIRECTIVE INFORMATION

Scottish Friendly Assurance Society Limited's solvency and financial condition report can be accessed at <https://www.scottishfriendly.co.uk/financial-results-and-tax-strategy>.

3.5 OUR UNDERSTANDING OF TAX RULES

Under current tax rules, any payments we make on your **policy** will be free from income tax and capital gains tax in the UK. This is based on our understanding of current tax law and practice which may change in the future. We recommend you speak to your **Financial Adviser** or a solicitor if you'd like to know more.

4. YOUR CRITICAL ILLNESS ESSENTIALS

4.1 WHAT CRITICAL ILLNESS ESSENTIALS DOES

Critical Illness Essentials is a fixed-term insurance cover that will pay out if any of the following events happen while the **cover** is **in force**:

- You meet one of our **full payout** Critical Illness Essentials definitions.
- You meet an **additional payout** Critical Illness Essentials definition.
- You meet our terminal illness definition.
- You meet our total permanent disability definition, if you've chosen this optional extra. If you're covered for total permanent disability this will be shown on your **cover summary**.
- An **eligible child** meets one of our **full payout** or **additional payout** Critical illness Essentials definitions, or dies. See section 4.8 for full details.

If you die within 10 days of meeting a **full payout** or **additional payout** critical illness definition, terminal illness definition or total permanent disability definition, the **cover** won't pay out and will end.

Please see section 6 for **full payout** and **additional payout** Critical Illness Essentials definitions.

See section 4.9 for full details of our terminal illness definition.

See section 4.10 for our total permanent disability definition.

Once we've made a **full payout** critical illness, terminal illness or total permanent disability (if you've chosen this optional extra) claim, the **cover** will end.

4.2 WHO CAN TAKE OUT COVER

You can take out **cover** if you meet all of the following:

- You're aged between 18 and 69.
- You have a personal UK, Channel Islands or Isle of Man bank account.
- You've lived in the UK for the last 6 months, with the right to remain in the UK.
- You're a **UK resident**.
- You're currently registered with a UK doctor.

4.3 HOW LONG YOU CAN GET COVER FOR

The length of time your protection will last for will be specified on your **cover summary**. Critical Illness Essentials can't extend beyond the day immediately before your 80th birthday.

Critical Illness Essentials has a minimum **term** of one year for Level and Increasing Cover, and 5 years for Decreasing Cover.

Critical Illness Essentials ends on the earliest of:

- When you die.
 - When you stop paying the premiums after you've asked to cancel your **cover**.
 - When the cover has lapsed as a result of missed premiums.
 - When we've paid a terminal illness claim.
 - When we've paid a total permanent disability claim, if you've chosen this optional extra. If you're covered for total permanent disability this will be shown on your **cover summary**.
 - When we've made a **full payout** claim.
 - When the **cover term** ends.
-

4.4 HOW MUCH YOU'RE COVERED FOR

The amount you're covered for is shown on your **cover summary**.

You can choose from the following types of **cover**:

- **Level**: Where the **cover amount** is fixed until the end of the **cover term**.
- **Decreasing**: Where the **cover amount** reduces each month in line with the capital amount outstanding on a repayment mortgage paying interest at 8% a year. See section 4.13 for more details on this.
- **Increasing**: Where the **cover amount** goes up in line with inflation every year on each **cover** anniversary. See section 4.6 for details.

4.5 WHO WE'LL PAY OUT TO

We'll pay any valid critical illness or total permanent disability (if you've chosen this optional extra) claim to you, the **person covered**.

A terminal illness claim will always be paid directly to you unless the cover has been put in trust, in which case we'll pay you or the trustees or beneficiaries as set out in the trust.

We'll pay any valid children's claim to you, the **person covered**.

4.6 INCREASING COVER

If you select this option, the **amount covered** will go up in line with inflation on each **cover** anniversary. Your **cover summary** will show whether or not you've chosen this option.

If you've selected this option, your premium will also increase each year to reflect the increased **cover amount**. The increase is calculated as the inflation increase multiplied by 1.5.

We track inflation using the consumer price index including owner occupiers' housing cost (CPIH) over a 12-month period. We may use another equivalent index in the future. If inflation is 0% or less, no change in premium or cover will be applied.

The maximum amount of **critical illness cover** you can have with us is £3 million across all covers. If the total **critical illness cover** you have in place under your protection **policy** reaches £3 million, inflation increases will stop and the premium and level of cover won't increase any further.

During periods of high inflation (10% or more) your increased **cover amount** may be subject to underwriting.

You can change your Increasing Cover to Level Cover at any time. It'll take effect at the next **cover** anniversary for the remainder of the **cover term**.

You can't switch from Level Cover to Increasing Cover after your cover has started.

You can skip an increase. If you skip 3 consecutive increases, we'll remove the Increasing Cover option and change your cover to Level Cover for the remainder of the **cover term**.

Once Increasing Cover has been removed, it can't be added again.

4.7 CHANGING YOUR COVER

Your cover gives you several options that allow it to reflect your changing needs throughout the **cover term**. If you take advantage of any of these and changes are made to your **cover**, we'll issue you with a new **cover summary**.

Changing the amount or term

- **Reducing your cover**

You can reduce the **cover amount** or **cover term** at any time by contacting your **Financial Adviser** or us. We'll adjust the premium and issue an updated **cover summary**.

The minimum amount of **cover** you can reduce your Critical Illness Essentials to is £10,000.

The minimum **cover term** you can reduce your Critical Illness Essentials to is one year for Level and Increasing Cover, and 5 years for Decreasing Cover.

- **Adding to your cover**

You can apply for more **cover** at any time by contacting your **Financial Adviser**. Any new **cover** will be subject to underwriting.

The maximum amount of **critical illness cover** you can have with us is £3 million across all **covers**.

Adding cover using a Guaranteed Increase Option

There are often key events in people's lives that mean they need to increase their **cover amount**. So, in certain circumstances, you can add to the **cover amount** you have without being subject to any underwriting assessment or medical evidence. These events are shown below. If you have this option on your **cover** it will be shown on your **cover summary**.

Event	Maximum increase allowable for each event
Birth or legal adoption of a child: If you have a new child, legally adopt a child, become a step parent, become the legal guardian or have been granted parental responsibility for a child.	25% of the original cover amount or £50,000, whichever is lower.
Marriage or civil partnership: If you enter into a civil partnership or get married.	25% of the original cover amount or £50,000, whichever is lower.
Taking out a new mortgage or increasing a current mortgage: If you buy a new house or make alterations to your main residence and increase your mortgage. We'll need to see confirmation of the change from your lender.	25% of the original cover amount or £50,000, whichever is lower, subject to a maximum of the increase in the size of your mortgage amount.
Increasing the mortgage term: If you need to increase the term of your mortgage and extend the cover term . We'll need to see confirmation of the change from your lender.	Subject to a maximum of the increase in the length of your mortgage term and the maximum term and expiry age for the cover allowed.
Significant salary increase: If you change your job or get promoted and your salary is increased by 20% or more.	25% of the original cover amount or £50,000, whichever is lower.

You can use the option more than once during your **cover term** as long as the total **cover** added isn't more than 50% of the original **amount covered** or £100,000, whichever is lower. £100,000 is the maximum **critical illness cover** you can add using a Guaranteed Increase Option across all **covers** you have with us.

You can exercise this option if any of these events happen to you and you meet the conditions. We can then increase your **cover** without any medical evidence. If the amount of **cover** increases, your premiums will increase too.

There are limits on the amount you can increase your **cover** by at each event, and as a total throughout the **cover term**. All percentage increases will be based on the original amount of **cover** you take out. These limits are not suggested increases – your **Financial Adviser** will advise you on the amount suitable for you.

Increasing your **cover** under these options means your **cover** will be available without further underwriting. Any increase will be added to your **cover amount** at the time of the request. Your benefits, features and **terms** will be those included in the **cover**, irrespective of any changes in your health or lifestyle. We'll calculate your new premiums based on the original underwriting, your age at the time of increase and the number of years left on your **cover**.

You can use these Guaranteed Increase Options during your **cover term**, but if you do you must use them within 12 months of the event happening. You simply need to let us know and we'll issue a new **cover summary**.

If you make a claim after you increase your **cover**, we may request evidence to confirm that you met the Guaranteed Increase Option criteria. If we can't confirm this, the increase won't apply. This means we won't pay the higher amount, and we may not refund any extra premiums you've paid for the increase.

You can't use this option while you're claiming Premium Waiver, having symptoms that might lead to a claim, or if you're claiming on any **core cover** or have already made a claim on **additional payout** conditions. You can still use this option after you've made a claim for children's critical illness cover.

Making personal changes

Please contact your **Financial Adviser** or tell us about any of the following health or lifestyle changes.

- **Smoking**

A smoker is someone who has used a tobacco product or nicotine replacement product. Tobacco products include cigarettes, cigars and pipes. Nicotine replacement products include patches, electronic cigarettes, chewing gum, lozenges, inhalers and sprays.

We have 3 categories for smoking-related premiums:

- Current user.
- No usage in the last 12 months.
- No usage in the last 5 years.

If you were a smoker and stop smoking and stop using tobacco or replacement products for a period of 12 months, we'll reassess your **cover** and may be able to reduce your premium accordingly. We may ask you to take a cotinine test.

We'll also reassess your **cover** after you've stopped for 5 years and may be able to reduce your premiums further if you contact us to confirm.

- **Gender**

If you change your gender, we'll update our records to reflect your details, but this change won't affect your **cover** and premium.

4.8 CHILDREN'S CRITICAL ILLNESS COVER

What children's critical illness cover does

Your Critical Illness Essentials **cover** automatically includes children's critical illness cover.

Children's critical illness cover pays out 50% of the **cover amount**, up to a maximum of £25,000 if an **eligible child** is diagnosed with one of our **full payout** or **additional payout** Critical Illness Essentials conditions listed in section 6 and survives for at least 10 days from diagnosis.

Children's critical illness cover also includes funeral cover, which pays £5,000 as a contribution towards a funeral if an **eligible child** dies.

There's no limit to the number of children that can be covered. If you become a new parent or have further **eligible children** in the future, they will be covered automatically, and you don't need to do anything.

How long your children can get cover for

Children's critical illness cover starts when an **eligible child** is 30 days old and ends when one of the following happens:

- Your youngest **eligible child** reaches their 18th birthday, or their 21st birthday if they're still in full-time education.
- Critical Illness Essentials lapses or is cancelled.
- We make an adult **full payout** and the cover ends.

If we pay a critical illness claim for an **eligible child**, their **critical illness cover** will stop. Funeral cover for that child will continue as long as you keep paying your premiums.

We'll only pay one critical illness claim and one funeral claim for each child. If we pay a claim for one child, the other **eligible children** will still be covered.

How much your children are covered for

Your type of children's critical illness is linked to your Critical Illness Essentials cover type.

If your cover is:

- **Level:** The children's **cover amount** is fixed for the **cover term**.
- **Increasing:** The children's **cover amount** will go up in line with inflation every year on each **cover** anniversary. We'll pay 50% of the adult **cover amount** at the point of claim, up to a maximum of £25,000.
- **Decreasing:** The children's **cover amount** is fixed for the **cover term**. We'll pay 50% of the original **cover amount**, up to a maximum of £25,000.

We'll only pay one children's critical illness claim and one funeral cover claim under Critical Illness Essentials for each **eligible child**, regardless of how many Critical Illness Essentials covers you and your **partner** hold with us. The maximum we'll pay across all Critical Illness Essentials or Combined Life and Critical Illness Essentials **covers** for each **eligible child** is £25,000. For funeral cover, the maximum we'll pay across all Critical Illness Essentials covers for each **eligible child** is £5,000.

Who we'll pay out to

We'll pay any valid children's critical illness claim and any valid funeral cover claim to the **person covered**.

Changing your children's cover

Children's critical illness cover can't be removed, added or changed after your cover has started.

If you change the **amount covered**, **term** or **cover** type of your Critical Illness Essentials, we'll apply the same changes to your children's critical illness cover.

When we wouldn't pay out

We wouldn't pay a claim:

- If the **eligible child** doesn't meet one of our Critical Illness Essentials definitions.
- If the **eligible child** dies within 10 days from diagnosis. In this case, we'll pay the funeral cover.
- If the **eligible child** meets one of our Critical Illness Essentials definitions or dies after their 18th birthday, or after their 21st birthday if they're in full time education.
- We've already made a critical illness payout for that **eligible child**.

We'll also not pay a claim for a condition or related condition, including one that caused death, if, before you took out or reinstated the cover, or before the child became an **eligible child** (for example, if you adopted them after your Critical Illness Essentials cover started):

- The **eligible child** was already having symptoms relating to, was awaiting investigations or being investigated for, or had been diagnosed with, a condition resulting in your claim.
- Either parent had sought or received counselling or medical advice in relation to the **eligible child** being affected by a condition resulting in your claim.
- Either parent was aware of an increased risk, including as a result of a screening or test during or after pregnancy, that the **eligible child** could have a condition resulting in a claim.

Optional Children's Critical Illness Protection

Within our Protection Menu you can choose to add optional Children's Critical Illness Protection. This is separate from the children's critical illness cover included with your Critical Illness Essentials.

For full details about optional Children's Critical Illness Protection, please see the **Children's Critical Illness Protection policy terms and conditions**.

If you have Children's Critical Illness Protection, this will be shown on your **cover summary**. If you need to make a children's critical illness claim and you have both types of **cover**, you may be eligible for 2 payouts, up to the maximum payout amount allowed. The maximum critical illness cover we'll pay for each **eligible child** across all children's covers you and your **partner** hold with us is £125,000. If you select Increasing Cover on your **core cover**, then the **amount covered** will continue to increase above this level. For funeral cover, the maximum we'll pay across all covers for each **eligible child** is £15,000.

4.9 TERMINAL ILLNESS

We'll pay the full **cover amount** if you're diagnosed as being terminally ill and, in the opinion of your attending **UK Consultant**, your illness is expected to lead to your death within 12 months.

Terminal illness cover is not included for children's critical illness cover.

4.10 TOTAL PERMANENT DISABILITY

Total permanent disability is an optional extra that can be applied for at the same time as your Critical Illness Essentials. If your **cover** includes total permanent disability, this will be shown on your **cover summary**.

The minimum **term** for total permanent disability is one year for Level and Increasing Cover, so you need to apply before your 64th birthday. For Decreasing Cover, the minimum **term** is 5 years, so you need to apply before your 60th birthday.

If your **cover** includes total permanent disability, we'll pay out the **cover amount**, if before your 65th birthday, you have loss of physical or mental ability through an illness or injury:

- To the extent that the **person covered** is **permanently** unable to do the material and substantial duties of their **own occupation** ever again.

The material and substantial duties are those that are normally required for, and/or form a significant and integral part of, the performance of the person's **own occupation**, at the time of claim, that can't reasonably be omitted or modified. If you're not in paid employment at the time you become **incapacitated**, we'll assess your claim under our **activities of daily living** definition.

The relevant specialists must reasonably expect that the disability will last throughout life with no prospect of improvement, irrespective of when the cover ends or the **person covered** expects to retire.

OR

- That results in the **permanent** loss of the ability to perform 3 or more of our **activities of daily living**.

Your **cover summary** will state which total permanent disability definition applies to you.

You must apply for total permanent disability when you apply for Critical Illness Essentials. You can't add it later. You can remove it anytime by contacting us.

Total permanent disability ends at your 65th birthday or when your **cover term** ends, whichever comes first.

4.11 ASSESSING A CLAIM

Critical illness claim

We make sure the condition meets one of our Critical Illness Essentials definitions in section 6, and that you've survived for at least 10 days from diagnosis. Once we receive confirmation from a relevant specialist that you've met one of our Critical Illness Essentials definitions, we'll assess your claim and pay the appropriate amount as soon as possible. This may be a **full payout** or an **additional payout**.

If you meet the definition for a **full payout** at the same time as an **additional payout**, we only pay the full amount.

Terminal illness claim

We make sure the condition meets our definition shown in section 4.9. Once we receive confirmation that you've met our terminal illness definition, we'll assess your claim and pay the full **cover amount**. Once we've paid a terminal illness claim the **cover** will end.

Total permanent disability claim

For total permanent disability, the relevant definition will be shown on your **cover summary**.

The **activities of daily living** we'll use to assess your claim are shown in the glossary of terms.

Once we've paid a total permanent disability claim the **cover** will end.

Premium Waiver claim

Premium Waiver means you may not have to pay your premiums if you're unable to work. See section 2.3 for full details.

Children's critical illness claim

We make sure the condition meets one of our Critical Illness Essentials definitions in section 6 and that the **eligible child** who's covered has survived for at least 10 days from diagnosis. Once we receive confirmation of the diagnosis from the relevant specialist, we'll assess the claim and pay the children's critical illness **cover amount** as soon as possible.

For a funeral cover claim we'll pay out if the **eligible child** dies during the **cover term**. We simply need you to provide evidence, such as a death certificate, to start the process.

Cover will end for an **eligible child** once we pay the children's critical illness **cover amount** with the exception of funeral cover which will remain in place while the premiums continue to be paid. For a funeral cover claim we'll pay out if the **eligible child** dies during the **cover term**. We simply need you to provide evidence, such as a death certificate, to start the process.

4.12 WHEN WE WOULDN'T PAY A CLAIM

We wouldn't pay your claim if:

- The reason for your claim is excluded on your **cover summary**.
- You don't meet our Critical Illness Essentials, terminal illness or total permanent disability definitions.
- We've already made a **full payout**.
- Your **eligible child** doesn't meet one of our critical illness or funeral cover definitions. See section 4.8 for full details.

We also wouldn't pay a claim:

If we don't get consent

To pay a claim, we'll need consent to gather all the information we need. If we don't receive consent, we may not pay the claim.

If you don't complete your application accurately

If, while assessing your claim, we find out that information on the application is inaccurate or incomplete and would have influenced our decision to offer you the **terms** we did:

- We may reduce the amount we pay or not make any payout at all.
- We may amend the **terms** of your **cover**.
- We may cancel your **policy** completely.
- We may not refund the premiums you've paid. If you become aware that information you've given us is inaccurate or incomplete, you must let us know as soon as you can.

If we're not given accurate information that we ask for

If the information given to us when you're making a claim is inaccurate or incomplete, we're not told about something that could reasonably be considered relevant to your claim, or we're not given the information we ask for, we may not pay your claim or may stop paying your claim, and we may cancel your **policy**.

If you don't follow medical advice

We may stop paying your claim if you fail to follow reasonable medical advice relating to your illness or injury.

4.13 THE AMOUNT WE PAY OUT

The amount we pay out depends on the type of cover you have, details of which are shown on your **cover summary**.

- **Level:** The **cover amount** is fixed throughout your **cover term**. It's this amount that we'll pay out on a claim.
 - **Increasing:** The **cover amount** and the premium you pay increase in line with inflation on each **cover** anniversary. We pay the amount that applies at the date you meet one of our Critical Illness Essentials definitions, our terminal illness definition or total permanent disability definition (if you've chosen this optional extra). See section 4.6 for more information.
 - **Decreasing:** The **cover amount** reduces every month throughout the **cover term**. It's designed for repayment mortgage protection and reduces in line with the capital amount outstanding on a repayment mortgage paying interest at 8% a year. The amount we pay out is, therefore, based on the amount of **cover** at the date you die, or meet one of our Critical Illness Essentials definition our terminal illness definition, or total permanent disability definition if you've chosen this optional extra.
-

4.14 CONTINUING COVER AFTER A CLAIM

Full payout

After we've paid an adult **full payout** claim, your **cover** will end. For more information on **full payouts** please see section 6.

Additional payout

After we've paid an **additional payout** claim, your **policy** will continue providing cover for the full amount while your premiums are paid (or being waived). The **additional payout** won't reduce the amount of **cover**.

Additional payouts are payable more than once, but not for the same condition twice.

The **amount covered** (on your **cover summary**) would remain intact should you need it in the future for a further claim. For more information on **additional payouts**, please see section 6.

See section 4.8 for details on children's **critical illness cover**.

4.15 MOVING ABROAD

You'll still be covered by Critical Illness Essentials if you or any **eligible children** move abroad after it's started, but you'll need to keep your personal UK, Channel Islands or Isle of Man bank account that accepts direct debits to pay the premiums.

5. GLOSSARY OF TERMS

This is a legal document so we have to use terms throughout that you might not be familiar with. We recommend you refer to this glossary when reading your **policy terms and conditions** to make sure you understand what you're covered for and how your **policy** works.

A a
